DIRECTIONS

Aronova's offices are situated in Fetcham Park House, in the leafy suburbs of Leatherhead in Surrey. The building itself was built in 1705 and is an historic, grade II listed Queen Anne mansion, set in private grounds originally landscaped by 'Capability' Brown over 300 years ago. The following instructions are from Junction 9 on the M25. Generally speaking, Fetcham Park House is on the opposite site of Leatherhead and you can either go through the centre, or follow the instructions below which take you round the outside of Leatherhead.

Take directions for A243 Dorking.

At the Knoll Roundabout, follow signs for A24 Dorking.

At the Beaverbrook Roundabout, follow signs for A24 Dorking.

At the Givens Grove Roundabout, follow signs for A246 Guildford.

On leaving the Givens Grove Roundabout you go up a steepish hill with dual carriage way.
As you approach the first roundabout, you need the right hand side lane.

At the first roundabout, take the third exit, signed Fetcham.

On leaving the roundabout, take the first left into a road called The Ridgeway.

Follow The Ridgeway down to the first roundabout and take the third exit (to the right) onto Lower Road.

Take the second right into Badingham Drive.

Fetcham Park House is first right. Follow the driveway through the trees until you come to the front of the house.
Visitors may park anywhere in front of the house and reception is through the main door to the house.
